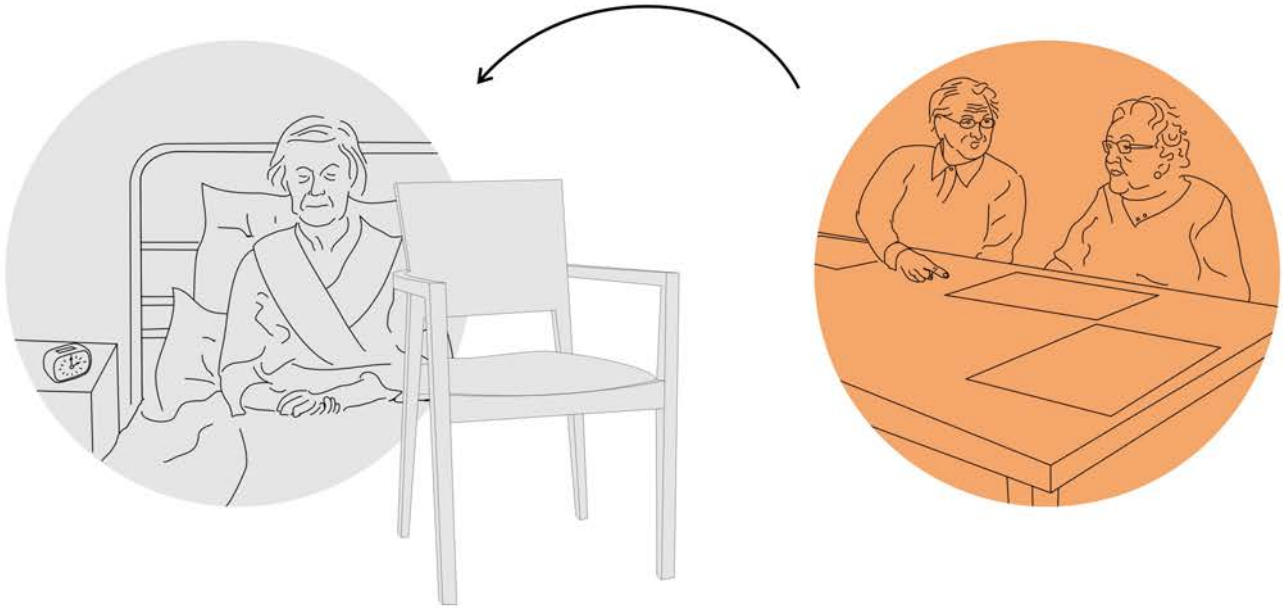
„I want to trigger nursing home residents
in taking the initiative to show compassion
to a dying friend within their home.“



„Sometimes you just forget how you would **normally** react in a similar situation, before I got her."

- Mrs. Wiegeraard (91)

„Sometimes you just forget how you would **normally** react in a similar situation, before I got her."

- Mrs. Wiegeraard (91)

care like a good neighbour would
