DESIGN GOAL

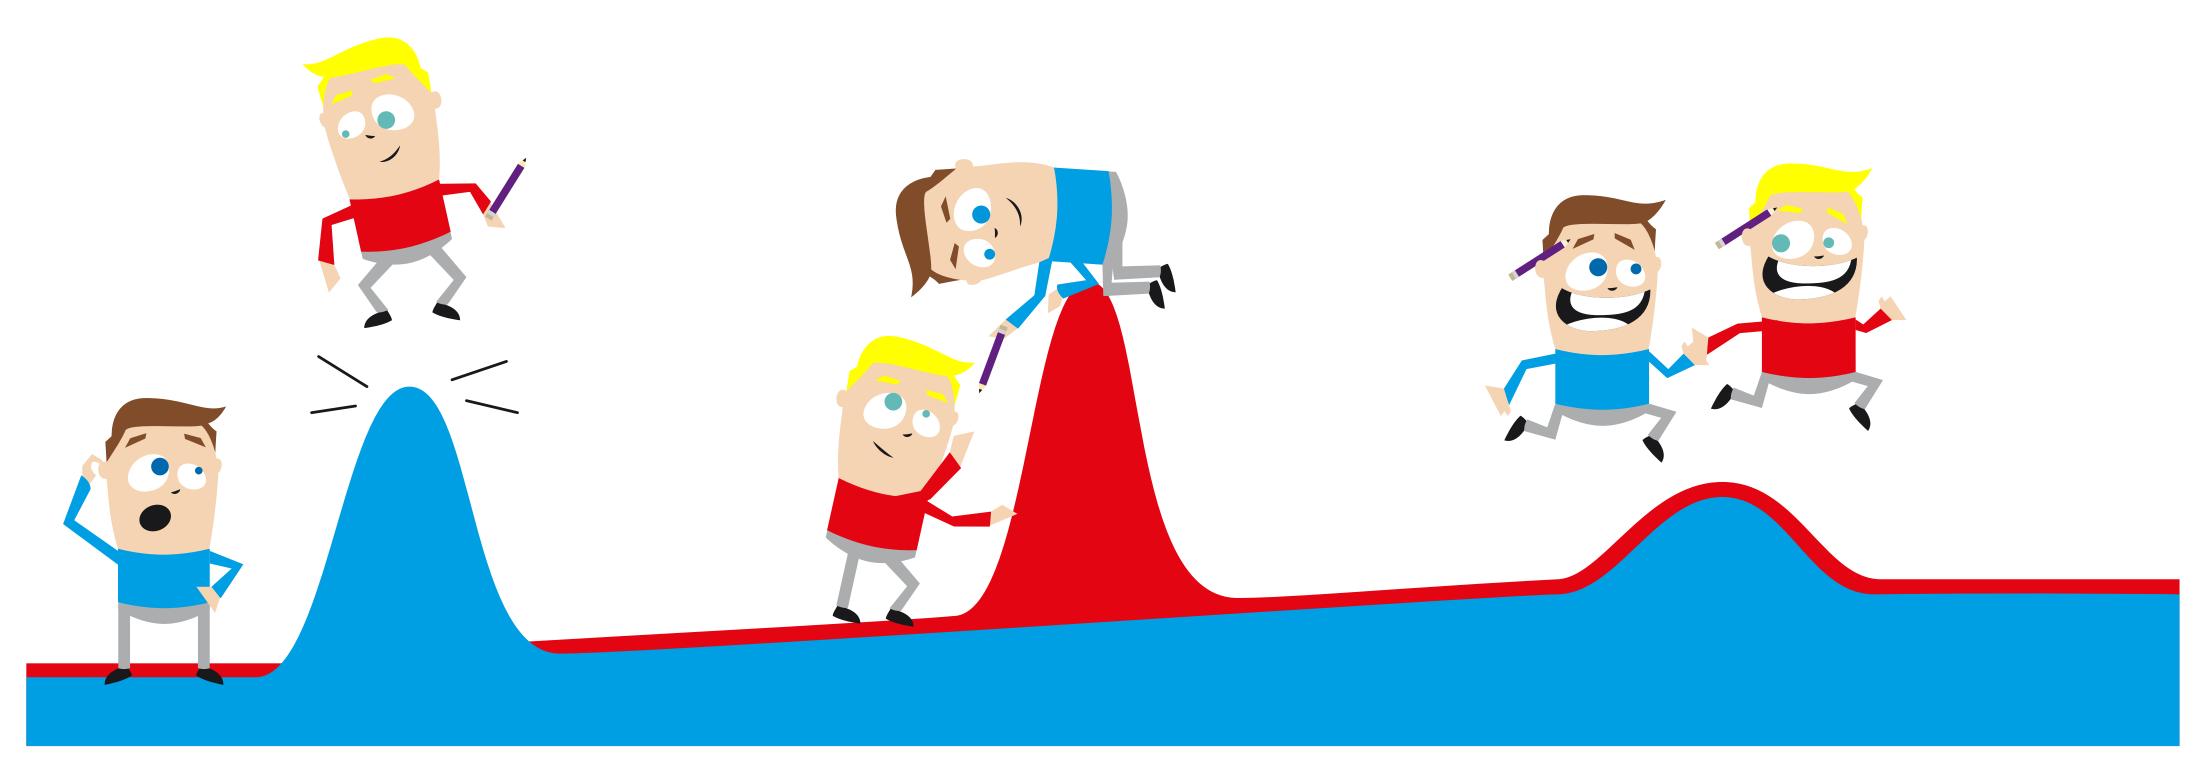

How to improve
through e-learning
the aptitude of
"sketchtical" design students,
at first helping them
break the ice with sketching
and then stimulating
their dedication to it?

INTERACTION WISTON

...Create a sheltered and comfortable learning/practice environment through the mutual support with other learners (buddies)!

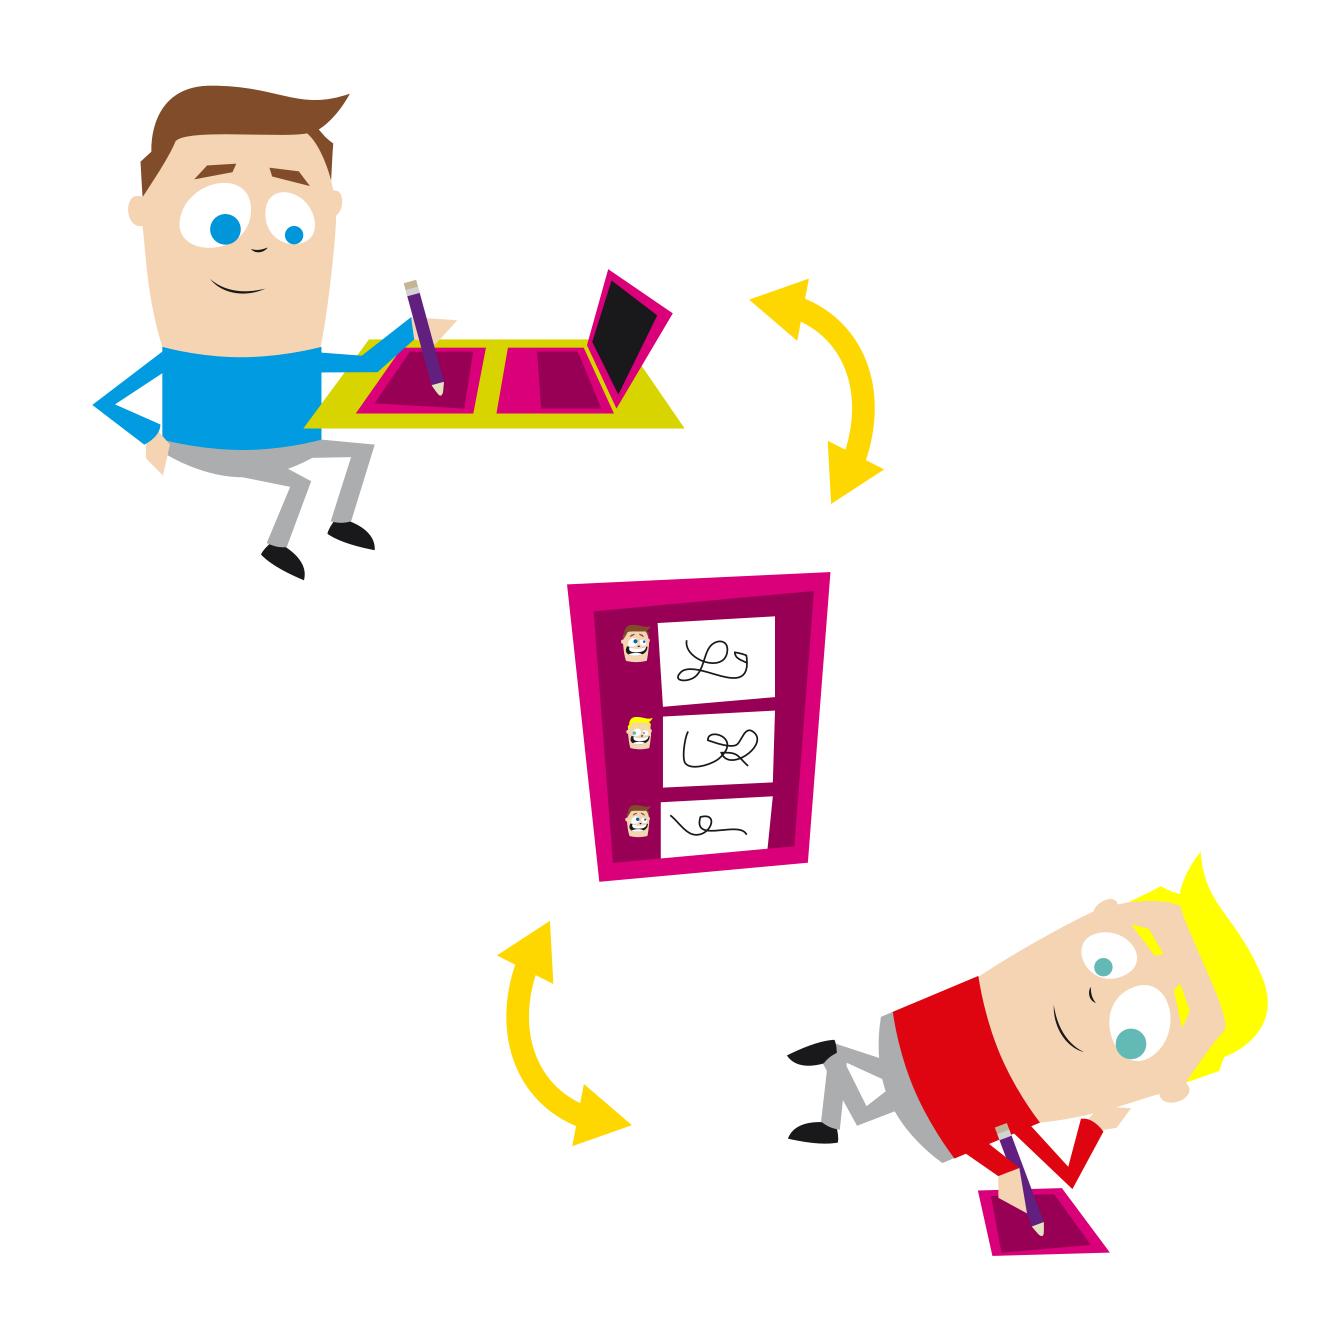

GENERAL IDEA

PENCIL FRIENDS

correspondence of sketches

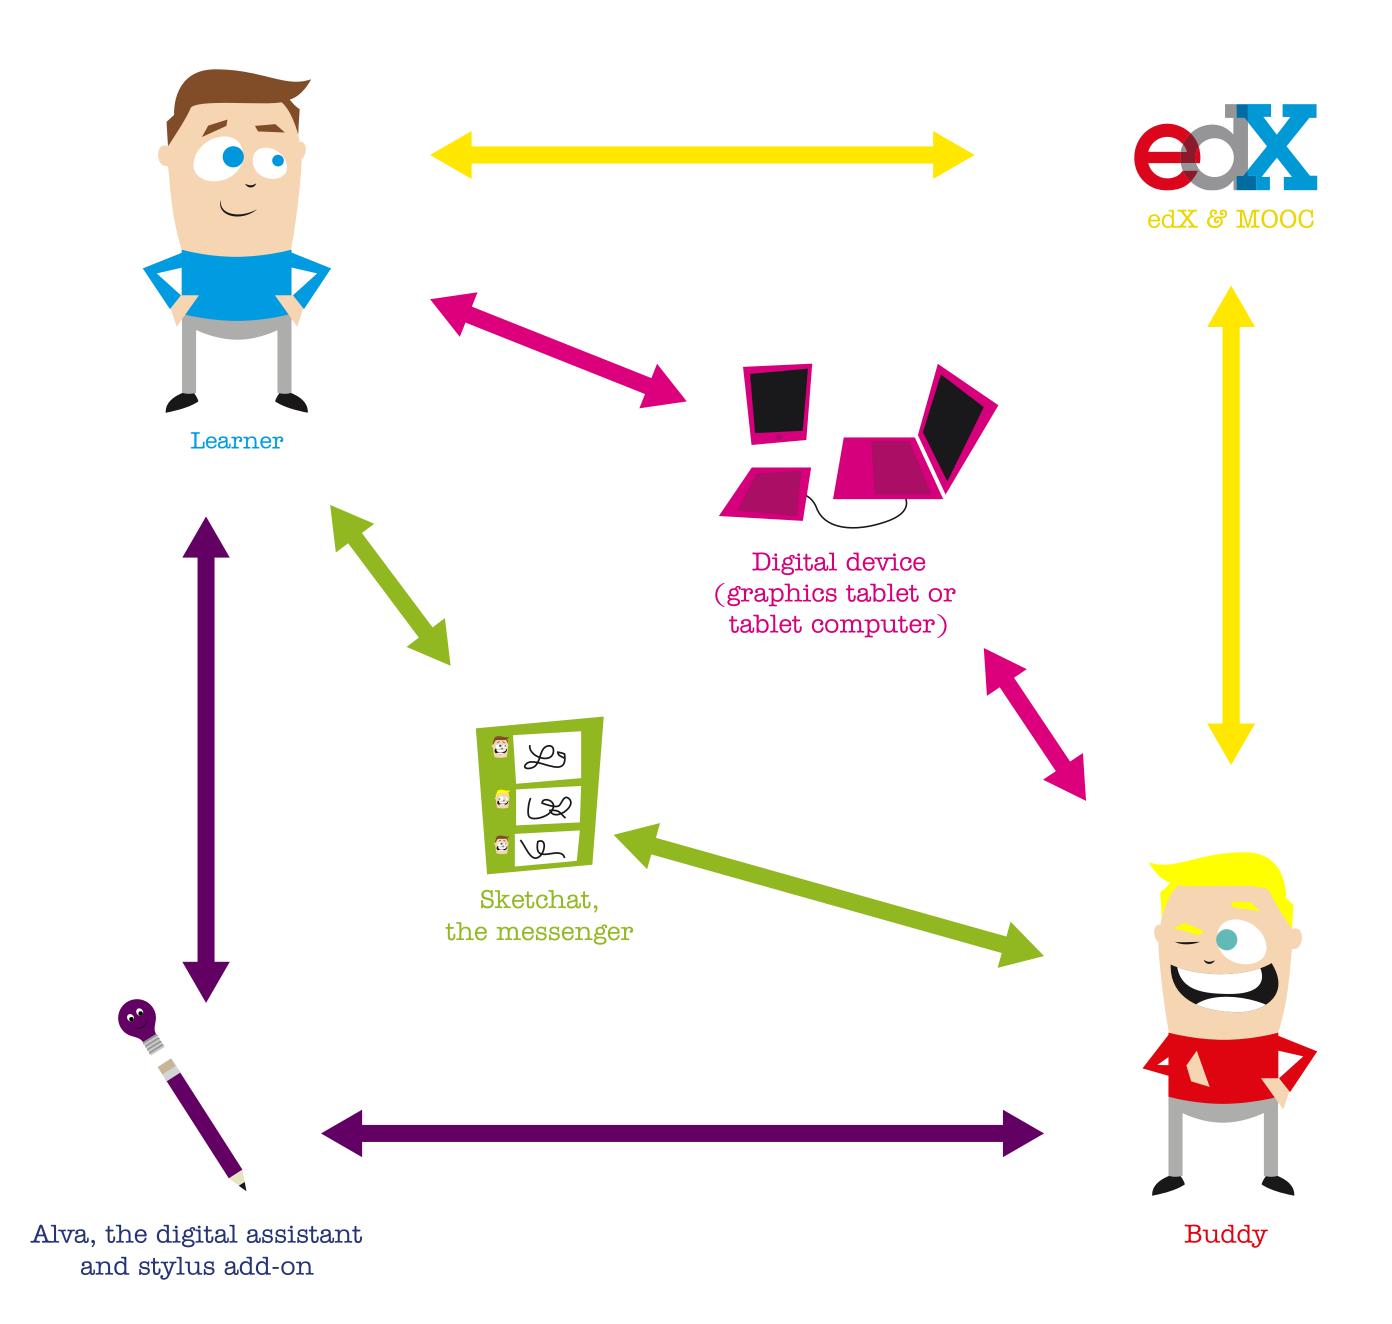

between two distant learners

as a warm-up & support to a MOOC

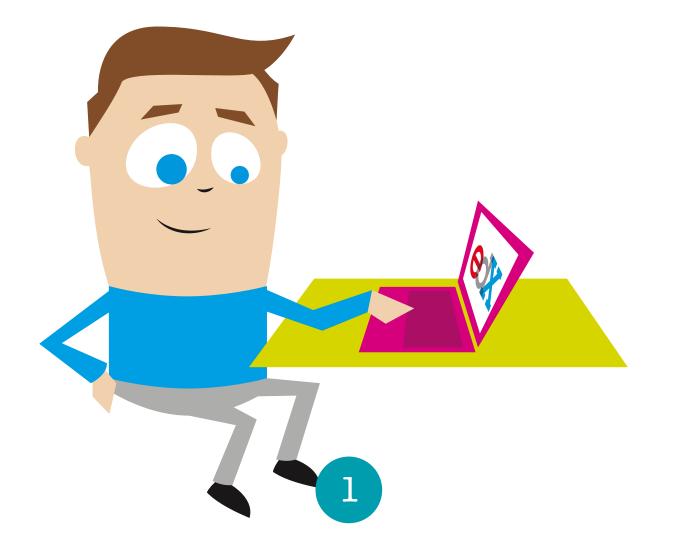

CONCEPT: INTRO

INTERACTION "BRIDGE" between the two buddies made of 4 elements

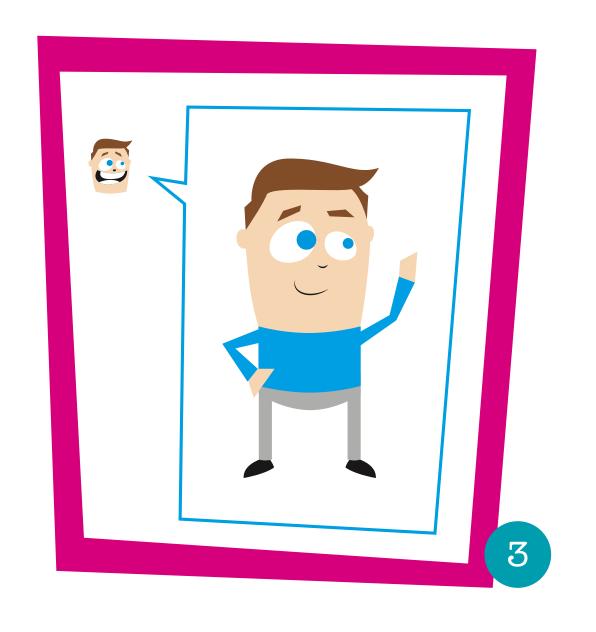

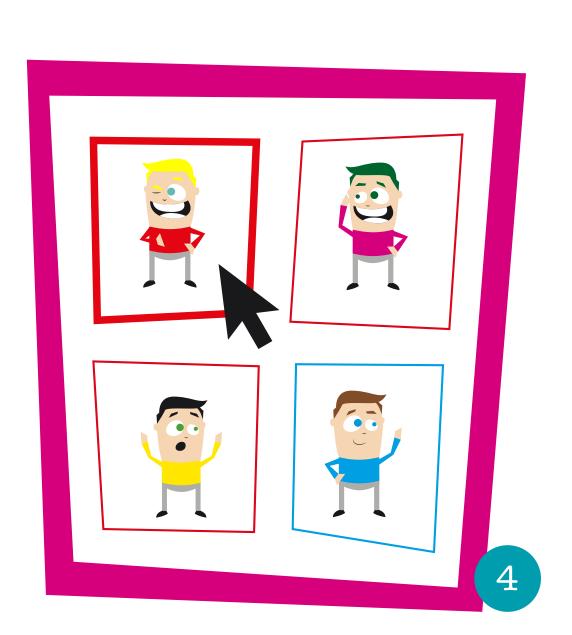

CONCEPT: STORYBOARD
