Think Outside the Closet

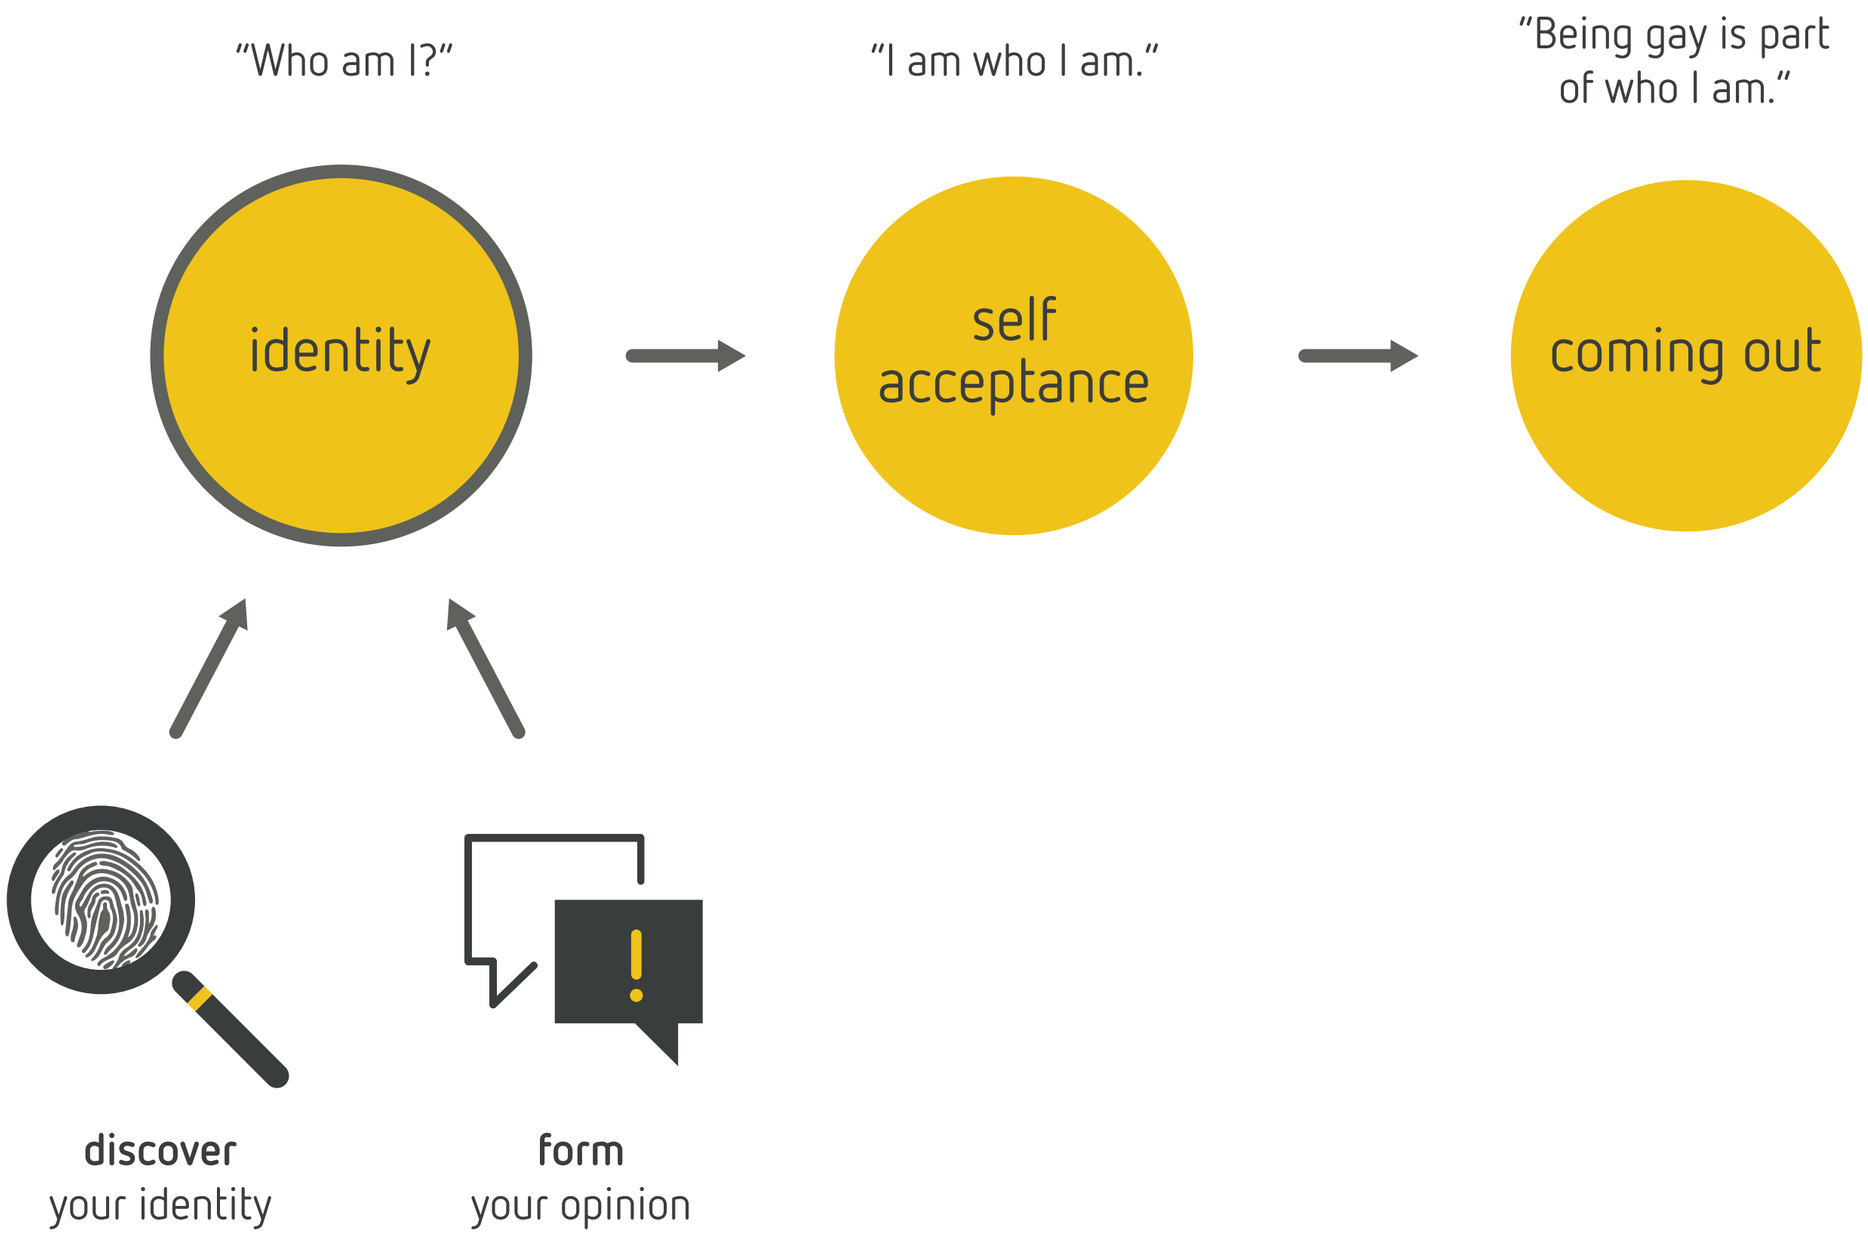
by Jet Gispen

Exploring Interactions
Final presentation

Design Goal

I want to help closeted high school students come out to their family and friends by encouraging them to discover and reflect on their identity.

My Focus



“Who am I?”
identity
“I am who I am.”
self acceptance
“Being gay is part of who I am.”
coming out
discover your identity
form your opinion

Interaction Vision

Interaction Vision

playful

intimate

respectful
