

DESIGN GOAL & IV

To bring the **tourist** and the **local resident** of the **Waterloo square neighbourhood** together, by taking away the **negative perception of crowdedness** by **both parties**.

FINAL DESIGN

Today,
You are my favourite daily frustration.
Please, do not walk in front of my bike.
thank you!

Probably, you were not aware that you were annoying to me.
So exchange me for a free coffee at the Cafe Langerijs, and we'll tell you why we are so dangerous on the road!
(Or keep me as a souvenir!)
